STALKER: A bus CCTV captures the suspect

Man follows woman off bus and attempts rape

METROPOLITAN Police have released a CCTV image of a man wanted for questioning over an attempted rape in Dagenham.

The force said it was called to multiple reports of an attack on a young woman on the evening of Monday, March 6.

The victim, 22, got off the EL2 bus on Wood Lane, opposite Morrisons, shortly before 6.20pm, then turned into Becontree Avenue.

The attacker, who was on the bus at the same time, followed her, said police.

A spokesperson said: "The suspect then grabbed the woman from behind, threw her to the ground and removed his jeans, exposing himself. The victim was able to punch the suspect in the stomach and shout for help.

"A driver in a passing vehicle stopped and phoned the police. The suspect ran off towards Wood Lane."

The attack was recorded by local CCTV cameras and the suspect was captured by CCTV on the bus.

DC Matt James, from the force's sex offences, exploitation and child abuse command team, said: "The woman is very shaken from her ordeal. She was able to shout for help and use self-defence to flee from her attacker.

"We are keen to identify the man in the CCTV footage so we can speak to him about the incident. We would also urge anyone who witnessed the incident to contact us."

If you have any information, police can be contacted by dialling 101. Alternatively, call Crimestoppers anonymously on 0800 555111.

Win a Heat Holders bundle for mum

IT is a frequent complaint of mums the world over that once they have children, the time they have to take care of themselves suffers.

Most of us would love to treat the most special lady in our lives to an all-inclusive spa holiday somewhere tropical to repay the time she has spent looking after us, but true comfort can be as simple as an incredible pair of socks, says thermal experts Heat Holders.

In the US, the National Sleep Foundation claims that wearing socks to bed helps you relax and fall asleep far faster, which is ideal for busy mums who need enough quality down time to keep their wits about them during the day.

March is still likely to be chilly outdoors, meaning the problem of icy toes will not be going away any time soon.

Heat Holders are the creators of the world's warmest sock, possessing a market-leading 2.34 TOG rating, but the range has also proven that thermal does not have to mean fuddy-duddy, making them a great Mother's Day gift.

Nothing is snuggler than

SNUG: We are offering three Heat Holders Mother's Day packages

getting home after a day's work and slipping into something more comfortable.

The Ladies Lounge Socks by Heat Holders are the ultimate in down-time dressing, and are made for cosy date nights at home.

Each pair features a turn-over top that works to trap

warmth and hug it close to the skin using Heat Holders unique three part technology.

To help you keep your mum snug we are giving away THREE Mother's Day packages, not only including a pair of lounge socks, but also a pair of ladies leather gloves, a ladies hat, a ladies

neck, a Snuggle Ups blanket and a Snug Over fleece jumper.

For your chance to win answer this question.

Q: What is the TOG rating of Heat Holders' world's warmest socks?

A: 1.5 TOG

B: 2 TOG

C: 2.34 TOG

To enter the competition telephone your answer – A, B or C – to 0901 307 1674 with your name, address, telephone number and email.

More than £1m for Walthamstow culture and art

WALTHAMSTOW has been chosen to receive £1.35million to deliver a series of cultural and heritage projects.

The Great Places Scheme is designed to put arts, culture and heritage at the heart of communities across England. It will be used to fund projects in areas where there is a commitment to embed arts, culture and heritage in local plans and decision-making. The scheme is managed by Arts Council England, Heritage Lottery Fund and Historic England.

Council leader Chris Robbins said: "We are absolutely delighted that Walthamstow has been chosen to be part of the Great Place Scheme, and we look forward to working with our partners to deliver a unique cultural and learning programme that will provide far reaching benefits for the whole borough."

"We already have a strong track record of delivering first class cultural activities for our residents and visitors, and this funding will allow us to capitalise further on Walthamstow's unique heritage and character. Being part of this scheme will enable us to provide more opportunities for people to experience and be inspired by arts, heritage and culture, and ensure that culture is embedded at the heart of everything we do."

"Our Great Places programme will also give a real boost to our local economy."

'Parents must be able to make childcare choices'

FAMILIES in Waltham Forest with two children could pay an average of £19,195.28 a year in childcare bills, new analysis reveals.

The study by Jennette Arnold, London Assembly Member for Hackney, Islington and Waltham Forest, considers the cost of childcare for families with one child at nursery and another in primary school.

She said the figures, based on a report from the Family and Childcare Trust, demonstrate why the Government must step in to ensure parents have choices when it comes to childcare.

In Waltham Forest there are 22,100 children under five and 24,500 aged five to 11. The report from the Family and Childcare Trust reveals that issues remain when it comes to the cost, availability, and accessibility of childcare.

In Outer London, the average price of a full-time nursery place for a child is £264.96 per week.

The average cost of a childminder caring for a primary school pupil after school costs an average of £104.18.

Over a year parents in Waltham Forest with two children could face bills above £19,000, £6,500 more than a similar family in the north west of England.

Someone with a full-time London Living Wage job who wants to go back to work would earn £19,012.50, meaning there would be a net loss to the family.

Some two-year-olds are eligible for free childcare if they have special educational needs or the family gets tax credits, but in Outer London just over a quarter of local authorities said they had enough places for children entitled to the free offer. According to the Family

and Childcare Trust, many local authorities also have significant concerns about availability ahead of the rollout of increased entitlement to free child care for working parents of three and four-year-olds later this year.

Ms Arnold said: "It is vital that parents are able to make their own choice about how they want to organise childcare, and not be forced to either stay at home or go back to work because of the high cost of childcare, when that isn't what they want to do."

"The Government put childcare at the heart of their manifesto – they must now step in to ensure childcare is affordable, flexible and available to all who need it."

"People shouldn't be priced out of work, or find themselves unable to afford basic childcare costs simply because they happen to live in London."

● MORE than 4,000 residents in Barking and Dagenham have signed up to the Green Garden Waste Service to guarantee a collection from April 3.

Cllr Lynda Rice, cabinet member for environment and street scene, said people can still sign up for a collection later in the spring and summer, and neighbours can get together and share a collection.

Call 0345 520 7007 or subscribe

at www.lbdd.gov.uk/greengardenwaste.

● BARKING and Dagenham Council has launched a street and parking enforcement team in response to residents' demands to get tough on enviro-crime and parking offences.

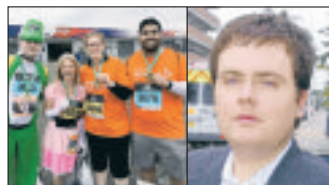

The move comes after a consultation between the council and residents about what should be prioritised.

Runners raise £3,200 in memory of YA's Paul

THOUSANDS of pounds have been raised in memory of former *Yellow Advertiser* reporter Paul Peterson by friends and family at the Silverstone Half Marathon.

Paul's mum Anne and friends Martyn, Laura and Abdul took on the 13.1-mile challenge at the world famous racing circuit and have so far raised £3,200, with money still coming in.

Wearing bright muscular dystrophy T-shirts and dressed as characters Princess Peach and Yoshi from Mario Kart – Paul's favourite video game – the group raised money for Muscular Dystrophy

FUNDRAISERS: Martyn, Anne, Laura and Abdul with their Silverstone Half Marathon medals. Right, Paul Peterson

UK in memory of Paul, who passed away in 2014.

Along with thousands of others, the group ran, jogged and walked their way around the track and finished in three hours, 28 minutes.

The donations for the event on Sunday, March 12, bring the total raised since Paul died to more than £24,600.

Anne said: "Every penny raised helps fund vital research with the hope that one day a cure will be found so families do not have to go through the heartache of losing their loved ones."

Hospice bereavement service gets boost with Children in Need cash

BBC Children in Need has donated £129,474 to Saint Francis Hospice to support counsellors caring for bereaved youngsters.

The hospice received the money from the national charity, making it the 10th year Children in Need has funded the Children's Bereavement Services.

Shahina Haque, family support services manager, said the grant will enable the hospice to hire another therapist and expand the service to

reach more children.

She added: "For a young person their parents are their protectors who keep them safe and secure, and this loss can have a devastating impact on the young person."

"You never get over the loss, and we work with the young person to have a voice, to know that they are recognised in this loss and for us to create a safe and secure place for them to explore their vulnerability and build their resilience."

Blesma Member Matty Woollard receiving the cheque from event organiser Laurie Edmonds

Festival organisers hand over cheque

THE organisers of Brentwood Festival have presented a cheque for £12,000 to military charity Blesma, The Limbless Veterans.

Donations were raised during the three-day music festival held last summer at The Brentwood Centre, in Doddinghurst Road, as well as other associated music events held throughout 2016 at The White Horse public house in Coxtie Green Road, Brentwood.

Blesma, The Limbless Veterans, whose head office is based in High Road, Chadwell Heath, is a national charity that was chosen by the festival director, Jason Jopson, who also owns The White Horse, after he became aware of the support they provide to injured veterans. The charity, which was

formed in the years following the First World War and became a national charity in 1932, supports all limbless service men and women, their widows and dependants.

Matty Woollard, from Colchester, a member of the national charity who lost his right leg, suffered burns to his hands and arms, and a severe injury from his left knee to his stomach, when he stepped on three anti-personnel mines while on tour in Kajaki, Afghanistan, with the Royal Anglian Regiment, picked up the cheque from Brentwood Festival event organiser, Laurie Edmonds, at The White Horse, last Tuesday, March 14.

Festival director, Jason Jopson, said: "Working with the Blesma fundraising team was a

fantastic experience for us – their knowledge and enthusiasm was really inspirational.

"We felt honoured and humbled to have their members attend the festival and share their personal stories with our audience. Our festivalgoers should feel proud of themselves for making a strong contribution to the charity."

Associate director of fundraising at Blesma, Barbara Warner, said: "Working with the team at the Brentwood Festival was a real pleasure. We had a brilliant three days and having the opportunity to spread the word about the important work at Blesma was very much appreciated. Our thanks to all the generous festival goers for contributing to a brilliant £12,000."

Flat Roofing Guaranteed for Life

Advertisement

Around 70% of homes in the UK incorporate a mineral felt flat roof.

Mineral felt generally has a slow breakdown often allowing water ingress to cause unnecessary damage before anything can be visibly detected within the home.

A failing roof & the warning signs - Look for signs of cracking around the roof edge, pipes, upstands and roof lights etc.

Beware of blisters on the roof surface, during colder months they can become brittle and crack. Felt will attract moss and algae further degrading the roof surface.

IMPORTANT: - ALL PROPERTY OWNERS PLEASE BE AWARE when a flat roof is replaced there are Part L Building Regulations that the homeowner and the contractor must comply with. **Please call for free information regarding the Part L Law.** The home-

The Problem

owner should also be made aware that insurance companies will no longer accept any liability for any external or internal

damage caused by a leaking flat roof which is over 10 years old.

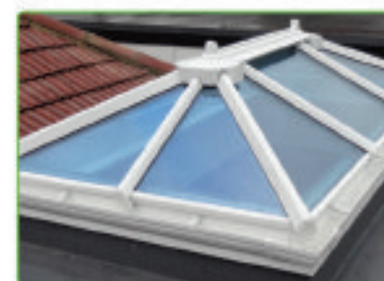

In 1999, High-Tech Roofing first introduced the most advanced flat roof technology to the homeowner. Protan, based in Norway, has a pedigree in the design and manufacture of water-proofing materials dating back to 1939, and producing the first roofing membrane in 1971. Protan is our preferred PVC single-ply flat roofing system and will cope with all climates, millions of square meters are installed here and abroad with a proven track record stretching over four decades. Protan is predominantly an architect-specified roofing system, winning many awards serving the very competitive commercial sector.

The Solution

A High-Tech roof is dimensionally stable and solar reflective, the material is unaffected by climate change and 100% resistant to moss & algae growth. The membrane has a unique anti-slip finish allowing the roof to be walked on and is aesthetically pleasing. As it is vapour permeable product it will never blister or become brittle and crack. High-Tech will create a 100% storm resistant watertight roof, maintenance free and guaranteed for life never to leak.

Let there be natural light

Many of our clients are requesting skylights and roof lanterns to be installed in conjunction with our roofing system. We offer a huge range of style and are all made to measure complementing any home.

High-Tech will carry out all structural works along with all external and internal finishing works. High-Tech can turn an extension or an ageing conservatory into a stunning thermally efficient orangery compliant with Building Regulation.

HAMMERS OUTFOXED

Football

West Ham United 2 Leicester City 3

Brian Jeeves reporting from the London Stadium

FIRST-HALF goals from Riyad Mahrez, Robert Huth and Jamie Vardy were enough to see much improved Leicester City wrestle three Premier League points from the London Stadium, despite a stirring fightback from West Ham.

Having not won in their previous four league outings, this certainly wasn't a good time for the Hammers to come up against a Foxes side that had experienced a new lease of life under the guidance of Craig Shakespeare.

Boss Slaven Bilic was without skipper Mark Noble while Andre Ayew and Sam Byram were handed starts.

Champions Leicester arrived in east London off the back of league victories over Liverpool and Hull City, coupled with midweek Champions League progress.

West Ham were first to threaten as Michail Antonio fired over from distance after Manuel Lanzini had tied him up.

But the home side were stunned within minutes. Mahrez's angled attempt towards the far post eluded everyone, including keeper Darren Randolph, much to the anguish of the majority inside the London Stadium. And worse was to follow.

Within two minutes former Chelsea defender Huth rose to meet Marc Albrighton's centre, giving Randolph no chance and drawing a crescendo of boos from the agitated home fans.

This was rapidly turning into a bad day at the office for West Ham.

Winston Reid limped off with less than 20 minutes on the clock, to be

replaced by Robert Snodgrass. But soon after Lanzini stepped up to send a fizzing free-kick beyond Foxes keeper Kasper Schmeichel to reduce the deficit.

The home side seemed to have found their feet. Ayew sent a couple of opportunities wide, while Antonio could only find Schmeichel's gloves as the Hammers probed for an equaliser.

But before they could make any further headway, Leicester extended their advantage. Vardy seized on some hesitant defending following a Mahrez flag-kick, before lashing high into the net from close range, sparking an angry exodus among Hammers fans.

The Hammers clearly returned for the second period with a flea in their ear. But despite exerting slightly more in the way of an attacking threat, Leicester remained comfortable and largely untroubled.

In the meantime, Vardy broke clear and lifted over as the Foxes went in search of a fourth.

Lanzini hadn't given up the fight. The tricky Argentine drew a terrific save from Schmeichel from a thundering free-kick. But from the resulting corner, Ayew turned in after Andy Carroll had headed back across goal, giving the home side renewed hope.

Buoied by the goal West Ham swarmed forward in a bid to rescue something from the game. Schmeichel somehow clawed out

Carroll's goalbound header, while Ayew fired over when sent clear.

But the tide had turned alarmingly against Leicester, who were hanging on to their slender lead by their fingertips.

Cheikhou Kouyate and Carroll had efforts blocked as the Hammers

onslaught continued. Schmeichel saved his best save for stoppage time, denying Carroll with stunning reactions that drew comparisons to his famous father.

Leicester should have put the contest beyond reasonable doubt when substitute Islam Slimani broke clear only to be thwarted by Randolph.

Nevertheless, the Foxes had done enough to earn their third successive Premier League victory under Shakespeare's management, moving them further clear of the drop zone.

Speaking after the game, Bilic said: "I'm very disappointed. It's very frustrating. We can talk about a lot of positives, but we lost and we have to talk about a lot of negatives at the beginning of the game."

"We knew that they had a momentum and of course they are a good side who were underachieving this season. But they scored three goals in the first half. The first goal was a cross, very sloppy from our point of view. Then two set-pieces that we knew they were good at."

"Of course, last year they were fantastic. They had the delivery and the players who could score goals, but you can't concede a couple of goals like that."

Bilic was happier with his side after the break and said: "The second half was all positive."

"The second half was really good, maybe the best performance that we have had this season. Everything was there, passing, crosses, beating players one against one, but the ball didn't want to go in."

"A lot of negatives from the first half, but a lot of positives from the second half."

"Overall, I'm trying to be objective, but if you watched the whole

ninety minutes, we deserved something from the game."

Leicester boss Shakespeare said: "There's no secret – hard work, endeavour, resilience along with some good football."

"We scored the goals at the right time today. It gave us a foothold in the game. But as I said, there's no secret. We know hard work is paramount to success and we have to keep on doing that."

"We spoke about the importance of starting brightly, playing on the front foot. Obviously, we had to show real resilience in the second half. I think we have to give West Ham credit because they pinned us back."

West Ham United are next in Premier League action on Saturday, April 1 when they travel to the KC Stadium to face Hull City (3pm).

West Ham United: Darren Randolph, Winston Reid (Capt), Robert Snodgrass (7), Aaron Cresswell (Arthur Masuaku 73), Cheikhou Kouyate, Andy Carroll, Manuel Lanzini, Pedro Obiang (Edimilson Fernandes 65), Andre Ayew, Sam Byram, Jose Fonte, Michail Antonio. Subs not used: Adrian, Havard Nordtveit, Sofiane Feghouli, James Collins.
Leicester City: Kasper Schmeichel (Capt), Danny Drinkwater, Robert Huth, Jamie Vardy (Islam Slimani 76), Marc Albrighton, Danny Simpson, Shinji Okazaki (Ahmed Musa 76), Wilfred Ndidi, Riyad Mahrez (Ben Chilwell 87), Christian Fuchs, Yohan Benalouane. Non-league round-up

Braintree edge towards safety

By Brian Jeeves

NATIONAL League Braintree Town did their chances of avoiding relegation a power of good as a brace from Sam Corne ensured the Iron a 2-0 success over struggling Southport at Cressing Road.

Corne struck either side of the break as the north Essex side moved seven points clear of the drop zone.

Elsewhere, Dagenham & Redbridge slipped to a 2-1 defeat against fellow play-off hopefuls Barrow at Holker Street. Liam Hughes (penalty) and Moussa Diarra found the net for the Cumbrian outfit after Corey Whitley had given the Daggers an early lead.

Ferni Akinwande and Scott Heard found the net as East Thurrock United bagged all three points with a 2-1 National League South win over Oxford City at Rookery Hill. Louie Theophanous grabbed his second goal in as many games as Chelmsford City took an early lead at Wealdstone. However, Joe White's penalty 20 minutes from time earned the hosts a share of the spoils. There was a setback for Concord Rangers, who were beaten at Hungerford Town, thanks to goals from Jon Boardman and Stefan Brown. Amos Nasha had earlier given the Beach Boys the lead.

In the Ryman League Premier Division, Canvey Island made it five wins on the bounce. Frankie Merrifield scored twice, while George Sykes added another in a 3-0 win at Merstham. Billericay Town also won 3-0 on the road. Billy Bricknell (2) and Mekhi McLeod with the Blues goals.

Grays Athletic lost 2-0 at home to Havant & Waterlooville. Dan Aristidou, Scott Olu Durojaiye (2), Anthony McDonald and Ralston Gabriel found the net as Haringey Borough thrashed Great Wakering Rovers 5-2 in Ryman League Division One North. Jake Gordon's brace proved to be scant consolation for the Villagers. Lamar Reynolds's first-half strike helped Brentwood Town stun Maldon & Tiptree.

Martin Tuohy scored AFC Hornchurch's goal in a 1-1 draw with struggling Wroxham at Bridge Avenue, while David Knight ensured Bowers & Pitsea a share of the spoils at the Len Salmon Stadium after Billy Holland had given Waltham Abbey an early lead.

Billy Coyne (pen) and Mason Bloomfield helped Aveley to an entertaining 2-2 draw at Dereham Town, while David Fallah, Ryan Mallett and James Ishmail found the net for Romford. Reece Grant, Lewis Godbold and Adam Bolle replied for Heybridge Swifts as the two sides played out a thrilling 3-3 draw.

Tilbury slipped to a 2-0 defeat at the hands of Phoenix Sport at Chadfields. Theo Fairweather-Johnson and Jack Barry on target for the visitors. David Cowley scored Thurrock's goal in a 2-1 defeat at Soham Town Rangers.

In the Essex Senior League, leaders Barking saw off Southend Manor 3-0 at Mayesbrook Park. Takeley were the big winners of the day, thrashing Enfield 1893 6-1, while Barkingside were 3-1 winners over Eytan Manor. There was a 2-1 success for Waltham Forest at Basildon United.

Sawbridgeworth won by a single goal at Waltham Forest, while the games between Clapton and West Essex and Hullbridge and London Bari both ended 1-1.

Selected highlights from the ProKit UK Essex Olympian League saw Leigh Ramblers win their Premier Division derby against White Ensign by four goals to nil. Springfield also hit four, eventually winning 4-1 at Harold Hill.

Division One leaders Basildon Town were in fantastic form, hammering Snaresbrook 4-0.

In Division Two Benfleet were 5-1 winners over Herongate Athletic.

O's continue inexorable slide from league

Leyton Orient 1 Doncaster Rovers 4

Sky Bet League Two
By Rowland Lyons at the Matchroom Stadium

LEYTON Orient remain rooted to the foot of the Football League, despite a spirited display against League One-bound Doncaster on Saturday.

Tom Parkes cancelled out Tommy Rowe's early opener, but ruthless Rovers ran riot in the second-half, courtesy of a John Marquis brace and Mathieu Baudry's wonder goal.

The rock-bottom O's made a positive start against the runaway league leaders, with the recalled Aron Pollock heading agonisingly over from Sandro Semedo's 10th minute flag-kick.

Former 'O' and free-scoring Marquis, almost put Rovers ahead on 21 minutes with a glancing header, but Alex Cisak, back in from the cold after 10 weeks, showed no ring

rustiness with a smart save.

Doncaster piled on the pressure, but it took an unfortunate ricochet from a Michael Clark interception to allow Rowe to beat a helpless Cisak from the edge of the box.

But the O's kept plugging away and got their reward from the unlikelyst of sources on the stroke of half-time. Parkes, with his first-ever Orient goal, levelled after a superb, mazing run and exchange of passes with Gavin Massey.

It looked to be the east Londoners' day when Myles Judd made an unbelievable block to deny Marquis, but the striker got lucky five minutes later when a poor Pollock clearance allowed him to net from 20 yards via the woodwork.

There was no way back for the O's as Rovers had further chances to increase their lead, before Marquis put the tiring strugglers out of their misery with a simple finish eight

minutes from time, with another former 'O', Baudry adding insult to injury with a fine volley in the closing stages.

Boss Danny Webb admitted: "It's unfortunate that a well-earned equaliser hasn't got us a point. But, mistakes were made and we got shakier as the game went on and we got punished."

He added: "There was a lot of naivety and young minds out there today. Hopefully next year they won't be making the same mistakes."

With the club set for a High Court hearing on Monday, Webb said: "It's only natural for it to be on our minds. I don't know which way it's going to go."

"It's frustrating, as I'm sure the older players were promised the world in the summer, when they signed. It hasn't worked out that way."

"At the same time I'm asking those players to help the young ones the

best they can. There's a lot on their shoulders – myself included – but we are just giving it our best shot."

League Two survival remains a possibility, but Webb concluded: "It's going to be very, very tough."
